Employment History

Feb 2014 - Current

HART INTERNATIONAL | www.hartinternational.com
Kabul, Afghanistan

Close Personnel Protection Team 2IC/Driver

Organisational Profile:

- Hart is an internationally recognised risk management company that delivers innovative, integrated solutions within the land, sea and air environments. Our clients include governments, NGO's and multinational corporations. When Lord Westbury founded Hart in 1999, he created a risk management company that combined an unparalleled level of military experience with commercial understanding and expertise.

Key Duties:

- Plan and provide close personnel protection services for Australian Embassy staff throughout Afghanistan.
- Contribute to mission planning and preparation as well as post-mission reorganisation as directed.
- Provide security and safe passage for clients through hostile environments via air, vehicle and foot moves.
- Provide intelligence briefings and advise clients on their security situation including venues, routes and schedules.
- Perform administrative duties, prepare mission paperwork, routine reports, risk assessments and briefings.
- Maintain high levels of Operation Security (OPSEC) standards whilst on duty.
- Train and advise clients preparing to deploy to hostile environments.
- Lead, train and mentor new HART employees overseeing performance.
- Plan, prepare and implement team operations in an efficient manner.
- Operate and maintain sophisticated communications equipment.

Apr 2010 - Feb 2014

2nd COMMANDO REGIMENT | www.2commando.gov.au
Sydney Based - Deployed to various countries

Special Forces Operator

Organisational Profile:

- The Royal Australian Regiment (4RAR CDO) was the first Regular Army Commando unit in Australia. The genesis for a regular commando capability was the requirement to provide the Government greater flexibility in special forces options. In accordance with government strategic guidance a second commando regiment was formed to address shortfalls in Australian Defence Force's ability to conduct special recovery and strike operations and was created 'to conduct offensive and recovery operations beyond the range and capability of other ADF elements'.

Key Duties:

- Perform offensive operations over air, land and sea during combat as a member of elite teams.
- Maintain readiness as part of the Australian Defence Forces counter terrorism unit, Tactical Assault Group (East). Conduct direct action, search and rescue and counterterrorism operations.
- Perform advanced reconnaissance operations and collected intelligence.
- Recruit, train and equip friendly forces and train, mentor and advise foreign indigenous troops.
- Lay and detonate explosives for demolition targets; located, identified and disposed of ordnance.
- Act as a Commando Team Leader involved in the planning of missions and make imperative tactical decisions.
- Operate and maintain sophisticated communications equipment.
- Maintain a high level of proficiency across a broad range of weapon systems, equipment and vehicles.
- Maintain a high level of close quarter combat proficiency.
- Administer Advanced First Aid to casualties suffering major trauma.
- Ensure fast and safe delivery of a commando team to the target area by vehicle or boat.
